

Q3 What do you think the CDD could do to improve our community?

Answered: 157 Skipped: 35

#	Responses	Date
1	Improve the water in the lake	7/18/2017 9:08 AM
2	maintain the existing community ammenities-no capital improvements are needed. Keep CDD fees low	7/18/2017 7:31 AM
3	First, I want to say "Good job!" for all the improvements around our community such as the electronic sign and trimming palm trees. 2nd, I think a state-of-the-art gym would be a big plus in our community and a big selling point.	7/18/2017 6:47 AM
4	Reduce the CDD rates	7/17/2017 10:52 PM
5	I think the CDD Board should consider a 5 year plan of purchasing, storing and building a Holiday decorations supply. Looking into purchasing lush garland, lights, trees, wreaths, bows, light pole ornaments, extension cords, etc. We could over time build a substantial inventory so that each year instead of paying to "rent" thousands of dollars of lights that we never own, we could just pay for the labor of the installation and removal of our own supplies. With a realistic plan we can become one of the most beautiful holiday decorated communities around. Having the 5 year plan in place will allow our community to take advantage of the end of year clearance sales that take place every year and allow us to purchase items at discounted rates. Having the monies approved on a long term basis, will free up the funds to purchase items when the sales start. We would have to factor in the cost of storage of the items either onsite in our community or at one of the local storage facilities. In comparison to what we have spent in the past 5 years alone for holiday lightning, the long term cost and savings is a more realistic option for our community. I thank the Board in advance for your consideration.	7/17/2017 9:53 PM
6	Add a hot tub at the pool or attached to new gym	7/17/2017 9:51 PM
7	Stop people from parking on the streets at night....it is dangerous....and people park in oncoming traffic lanes. Others have 6 cars in their driveway, and the back two are hanging out into the street. At night you cannot see them because there is no side lights. Very frustrating.	7/17/2017 9:25 PM
8	Work on adding fountains on both ponds of Capri Isle Lane, stop water accumulation on edge of the road in entire community, work aggressively to minimize bugs and mosquitoes, add mailbox in Capri isle homes, clean road and common car parking area with power wash, add outdoor background music system near pool and playground area (just like wiregrass mall),	7/17/2017 9:16 PM
9	1. A few more street lights would be good as there are few very dark spots in the community. 2.Something has to be done about teenage kids congregating at night (possibly quite far from their homes). 3. Unleashed Dogs. 4. Dog Poop here and there.	7/17/2017 8:56 PM
10	Install a Doggie Park	7/17/2017 8:36 PM
11	Increased sensitivity to the diversity within the community. For example, just as we celebrate Christmas, etc., we can host events, decorate, and post some signage to celebrate other holidays. If assistance is needed with organization of these types of events, please reach out.	7/17/2017 7:36 PM
12	Light for Volleyball court	7/17/2017 7:15 PM
13	Better Christmas lighting during Christmas time	7/17/2017 6:24 PM
14	Please do not add any more improvements to the community, rather, upkeep the current ones. Rental properties are deteriorating this community with unkept lawns, untidy surroundings and parking on the streets. I know this is not your area; however, the night parking on the streets is yours and it needs to be improved very much. Landscaping continues to be very beautiful but the ones at the head of each isle needs constant care which is not being done. The palms trees infront of each home is being cared for but the area around the palm is NOT. The mulch needs to be refreshed often and the weeds removed from the base of the palms. We need continued maintenance every week.	7/17/2017 5:32 PM
15	Put colorful lights in the Morris Bridge fountain. More flowers and colorful plants from that entrance	7/17/2017 5:16 PM

16	- more light posts at Fiji Isle PL ; - fences in the back of the houses at Fiji Isle PL(Back to Morris Bridge) ; -	7/17/2017 5:05 PM
17	Evrything is good about our community .	7/17/2017 5:04 PM
18	Continue with what we are doing	7/17/2017 4:14 PM
19	Build a better gym	7/17/2017 4:07 PM
20	Much better Christmas lighting, more night time permanent lights on Cory Lake entrance from Cross Creek side. There are hardly any lights on the stretch from cross creek to the security gate.	7/17/2017 4:03 PM
21	Bigger gym. Not so strict with the choices of house color. More and better Christmas lights and decoration	7/17/2017 3:55 PM
22	Maintain the paver roads so they are clean from oil, grease, tire marks and general dirt. At times general landscaping looks like it needs better attention (trimming, aged plants, etc)	7/17/2017 3:52 PM
23	The CDD is spending too much money on unnecessary "improvements."	7/17/2017 3:46 PM
24	I think the CDD should help pay off peoples bonds so we dont have such high fees	7/17/2017 3:40 PM
25	keep up with security	7/17/2017 3:27 PM
26	Security and Safety.	7/17/2017 3:25 PM
27	Improve the gate access for residents	7/17/2017 3:19 PM
28	Build a better gym	7/17/2017 3:13 PM
29	Not allow new construction right across from the entry	7/17/2017 2:57 PM
30	direct access to Flatwoods, and improved gym	7/17/2017 2:54 PM
31	Add a dog park!	7/17/2017 6:23 AM
32	Add light to Volleyball court.	7/17/2017 12:25 AM
33	In Capri Isle, install private mailboxes in front of homes like the other isles for added convenience and to beautify the neighborhood. Also, all of the ponds could use a fountain or some type of water aeration system. Especially the small pond behind our home, which is a hotbed for mosquitoes because the water is left stagnate. This is a real concern with the growing number of Zika cases in our area. One last thing, loved the plans for the gym remodel. I propose choosing the plan that would allow for the most cardio machines - with a view or mirrors in front of them. We had to join a local gym because the cardio machines were always in use and there's not a lot of room in the weights area for more than two people to work out and stretch comfortably. Hope this helps with your upcoming plans for our community! :)	7/16/2017 9:46 PM
34	Work to clean up roads once new construction is complete. Spend more on keeping common area landscaping looking trim during growing season. I think we have enough amenities, we should concentrate on making it look first class.	7/16/2017 4:14 PM
35	As a community with lots of children, we would like to see more activities for them. Maybe once a month, fun events with bounce houses, painting faces, etc.	7/16/2017 3:04 PM
36	This is good for community	7/16/2017 11:08 AM
37	.	7/16/2017 10:48 AM
38	slow down traffic, finish homes sooner--eye sore looking at all the ones that take MONTHS to build especcally one when you first come in on Cory Lake drive	7/16/2017 6:14 AM
39	Continue with plans to rebuild the fitness center. Level some of the water retaining sidewalks. Allow a coffee shop/bakery to set up shop in the clubhouse.	7/15/2017 7:49 PM
40	Enforce speed limit; people are driving too fast still. I see speeding all the time while riding my bike around the neighborhood.	7/15/2017 3:44 PM
41	Add bike LANE, more benches all around the community.	7/15/2017 3:24 PM

42	In the spirit of bringing Capri Isle up to the standard of the rest of the Cory Lake community which has been here for several years, I believe individual mail boxes should be installed at each residence. Capri Isle is the only Isle without individual mail boxes and it feels disconnected from the rest of Cory Lake without this consistent feature. In addition, the ponds within Capri Isle should be cleaned up, landscaped and consider adding fountains. This especially pertains to the small pond near the mailboxes on corner of Anguilla Isle Way and Tortola Isle Way. This small pond, which has potential to be a nice community feature for the neighboring homes, has turned into a runoff area that collects debris, has become unsightly, and breeds mosquitos. Please include these ideas within the survey and I appreciate the opportunity to share.	7/15/2017 2:13 PM
43	1. Stop building on our green spaces. 2. Keep spending within your budget. 3. Stop creating new bonds. 4. Pay of existing bonds. 5. Maintain our infrastructure. 6. Maintain of security. 7. Combine the CDD & POA under one Management Group.	7/15/2017 12:30 PM
44	Add shrubbery next to monument by new side walk from Capri. More Foliage between Cory Lake Blvd and Homes. complete out sidewalk of CL Drive. Expand existing Gym. Complete the kitchen and serve food. recolor and protect pavers on streets. fix the rust problem in the irrigation system that stains everything.	7/15/2017 10:40 AM
45	Cleaning of drains to avoid the water condensing in the road.	7/15/2017 9:43 AM
46	1.Contract for food and drink service in Beach Club. Renovate the kitchen, if needed. 2. Add a large fountain in the lake to aerate the lake	7/15/2017 9:21 AM
47	Improve gym and add dog park	7/15/2017 9:01 AM
48	Improve gym and add dog park	7/15/2017 9:00 AM
49	Extend the pool hours by 1 more hour in the evenings (close at 8pm in winters and at 9pm in summers). Many people do not like to go in the pool when the sun is high in the sky and prefer to go at dusk. I don't think would add much expense and would make the pool more useful. If necessary, could delay the opening time for the pool by one hour since I don't think many people use it in the early morning, in which case there would be no added expense for this plan.	7/15/2017 12:44 AM
50	Exercise trail to keep kids and bikers and walkers off road	7/14/2017 9:58 PM
51	Improve appearance of streets and build a new gym	7/14/2017 9:38 PM
52	Continue with plans to build a new gym; however leave the option to keep the old gym as an option for those that like to enjoy the lake view while exercising	7/14/2017 7:22 PM
53	Events that bring community together.	7/14/2017 6:00 PM
54	1. Expand use of club house. Open for activities in the evening and weekends. More activities to bring community together. Programs for stay home residents -home makers, retired people. Tutoring needed for using CDD webpage. Please note that evryone is not computer literate.	7/14/2017 5:27 PM
55	update/expansion of the fitness center	7/14/2017 5:09 PM
56	Cost effective program for any repair	7/14/2017 5:04 PM
57	Water fountain on tennis courts	7/14/2017 3:18 PM
58	bring in someone to sell drinks and food from kitchen and keep pool open a little later.	7/14/2017 3:15 PM
59	We should improve the safety around public area, add 24 hours guard at Morris Bridge Rd entrance. Add video surveillance in tennis, basket ball, and volleyball area.	7/14/2017 2:39 PM
60	Water fountain near tennis courts / playground	7/14/2017 1:47 PM
61	Build the new gym - Encourage people to keep the pool area cleaner when having big parties (cake has been dropped and left around the pool) Enforce people not to eat while standing at the edge of the pool. Eating should take place at the tables/chairs. Continue to bring in food trucks.	7/14/2017 12:52 PM
62	Stop the speeding!!! Preserve our community owned land for our use not more homes. Construct a dedicated field that can be used for many sports: baseball, soccer, lacrosse etc for our children. Replant the Cory Lake entrance to the level of Morris Bridge. Refurbish the Beach Club. The tables and rugs are worn and dirty. Clean the windows in Beach Club. Trim trees around the street lights which are blocked. Maintenance dollars for our present facilities. Not in favor of money for new gym. Food service for pool.	7/14/2017 12:41 PM

63	Take inputs from all residents in regards to community appearance uniformity and development	7/14/2017 12:21 PM
64	Bigger gym	7/14/2017 12:18 PM
65	A dog park would be a welcome addition	7/14/2017 12:18 PM
66	Bring down the cdd cost by properly prioritizing the ideas	7/14/2017 11:53 AM
67	Keep the roads clean	7/14/2017 11:49 AM
68	Change/remove the signs that are located just inside the gates. They are tacky and look like they belong at a strip mall.	7/14/2017 11:43 AM
69	I would like to see an expanded or new Gym to accommodate the size of our community, lighting in both Cross Creek and Morris Bridge, roads improvement such as manholes getting out of control uneven	7/14/2017 11:38 AM
70	concentrate on the roads and appearance of homes	7/14/2017 9:51 AM
71	WE DO A LOT to improve our community	7/13/2017 7:28 PM
72	Give Canary Isle its bus stop back!	7/13/2017 6:27 PM
73	The clubhouse with a cafe	7/13/2017 11:23 AM
74	Create more parking areas for visiting family and guests!!!! Parking spaces should be created on the edge of every community oasis area in CLI to solve the parking on the street issues that the community has! It is maddening when out-of-town guests get warnings for parking on the street, WHEN THERE IS NO WHERE ELSE TO PARK!!!!!! We have the space to create more resident parking! Do it! no excuses!!!	7/13/2017 10:05 AM
75	1. The street pavers need more repair, e.g. replace broken & damaged pavers, and a complete cleaning on all pavers and gutters. 2. Continuous upgrade and maintenance to the landscaping to the entry ways at Morris Bridge and Cross Creek roads.	7/13/2017 8:33 AM
76	Investing more in the brick paver repair is fine, but hope there is a long-term plan that will not result in major assessments and inconvenience when the time comes for replacement. I would like to see communication to residents about short-term and long-term strategies/plans not only for our brick-pave streets but all aspects of the community so they have a sense of competency with those entrusted to do so.	7/13/2017 7:54 AM
77	New Gym & light at Volleyball court	7/13/2017 6:07 AM
78	include the Lawn Maintenance into the fees. build more tennis courts and make sure residents can reserve the court.	7/12/2017 10:37 PM
79	I request the CDD to approve for residents to install solid vinyl privacy fences around their homes.	7/12/2017 8:39 PM
80	Thanksgiving 5k	7/12/2017 8:10 PM
81	Would be nice to have more than 2 park benches to sit on along the 3 mile loop in the neighborhood. The new fingerprint system doesn't work. We went in before implementation and gave our finger prints and post implementation- didn't work. Went in a second time and gave our finger prints and still not working. Additional fountains in the ponds would be great too.	7/12/2017 4:35 PM
82	Regular cleaning and maintenance of street gutters and sidewalks, especially rust. Don't wait until residents complain of the unsightliness. CLI is appearing run down. It's more important to maintain what benefits the entire rather than adding amenities benefiting a smaller number of residents. It's like buying a beautiful hat to wear with a dirty, tattered dress.	7/12/2017 4:31 PM
83	More activities	7/12/2017 4:26 PM
84	Impose strict laws to keep front yard look pretty.	7/12/2017 4:08 PM
85	Complete the sidewalk in front of the new playground in Capri Isle, put picnic tables on the beach, and have kayaks available for resident use at the beach club! Thanks.	7/12/2017 3:41 PM
86	Continue to maintain and enhance community property. Beach club improvements / add restaurant, snack bar etc. new gym facility.	7/12/2017 2:02 PM
87	Maintain the steel palm and clean the sidewalks. maintain and renovate the clubhouse	7/12/2017 1:01 PM
88	I like to see more walking/juggling/biking friendly trails around our community.	7/12/2017 11:57 AM

89	Add water fountain to Capri Isle lake by the Morris Bridge entrance, install Volleyball court lights,	7/12/2017 11:35 AM
90	First of all, our family has been pleased with the progress made in 2017 thus far, nice work. There are two areas we would like to see focused on if possible. First, is a plan to help reduce CDD fees, such as directing funds to paying off bonds or similar. Second, is there a way to get a restaurant inside the community at the beach club? We feel that would make it more inviting for others to be in the community space and a revenue stream that stays in the community.	7/12/2017 10:40 AM
91	Install guard arm at outgoing traffic side at Cross Creek guardhouse like the one at Morris Bridge Guardhouse. During daytime it would allow a quicker exit from area than the double gate currently does.	7/12/2017 8:38 AM
92	Add mail boxes to Capri Isle or it feels like Cory lake has apartments	7/12/2017 7:31 AM
93	streets need major rejuvenation followed by the need for a new gym.	7/12/2017 7:11 AM
94	N/A	7/12/2017 5:57 AM
95	TAKE MORE TIME ON SUPERVISION OF OUR COMMUNITY NEED TO GO AROUND AND SEE WHATS HAPPINING .WE HAVE A STREET LIGHT AT THE END OF BERMUDA THAT HAS NOT WORKING FOR A WHILE AND ITS VERY DARK TO EVEN SEE THE STREET .ALSO TOO MANY CARS BOATS GARBAGE CANS IN THE DRIVERWAY ALSO DIRTY MAILBOXES AND HOUSES BETTER SERVICES AT THE GATES WE HAVE A BIG TURNOVER THAT MEANS A MAJOR PROBLEM. WAY TOO MANY RENTAL THEY DON'T FALLOW ANY RULES.THIS USE TO BE A BEAUTIFL COMMUNITY ! PEOPLE LOVED TO LIVE HERE NOW ALL GOOD PEOPLE SALING AND MOVING OUT. PLEASE DRIVE AROUND AND SEE .THANK YOU!	7/12/2017 12:54 AM
96	Make a walking path from our neighborhood to Flatwoods.	7/11/2017 10:25 PM
97	improve gym, remove pipes sticking out of the ground by the capri isle playground	7/11/2017 9:54 PM
98	In so many areas, the community is amazing! A larger community gym with more equipment and low cost exercise classes (day and evening) would be a great addition.	7/11/2017 9:53 PM
99	Improve gym and speed bumps	7/11/2017 9:49 PM
100	You guys are doing great job .	7/11/2017 9:24 PM
101	Spend less money then give each good home owner a safe driving bonus check, like the Allstate commercial.	7/11/2017 9:04 PM
102	For the exit gates, only have the raising/lowering arm. Don't have the iron gate operating. It takes far too much time to wait for the iron gate to open while exiting. It makes more sense to have only the arm on exit. There's no need to make those leaving CLI to take more time than those arriving.	7/11/2017 8:09 PM
103	New Gym, lighting for volleyball court, fountains in Capri Isle ponds, fix pavers where ever needed.	7/11/2017 6:34 PM
104	I would like to see quicker and better service to clean up debris on the street and maintenance to trees and shrubs .	7/11/2017 6:22 PM
105	This community need larger exercise room .	7/11/2017 6:04 PM
106	See that residents are treated equally, with respect and not like we are renters instead of property owners!	7/11/2017 5:40 PM
107	Streets need to be renovated in Capri Isle community and there is a need for a bigger and better Gym with more equipments and machines	7/11/2017 5:39 PM
108	We need post boxes in front our houses as it is a basic aminitie for single family houses in Capri Lake Isle	7/11/2017 5:35 PM
109	GYM, Club house to extend, street road to paint and level it, some kind of sign or light to see cory lake entrance from distance on Morris bridge side	7/11/2017 5:20 PM
110	We need individual mail boxed for Capri Zisle. Is cleaning gutters part of CDD if so ,they never did for Capri isle. Need spacious Gym.	7/11/2017 5:17 PM
111	Have a Sunday brunch once a month keep it open hire a chef have it be reserved for their families	7/11/2017 5:00 PM
112	Remodel the gym	7/11/2017 4:56 PM

113	Replace cory lake entrance fountain. It's been gone for yrs and should've been replaced when it was damaged .	7/11/2017 4:51 PM
114	Common lawn moving for all	7/11/2017 4:44 PM
115	The hot topics are always speeding and upkeep of the community. I was at the CDD meeting where the LAF committee spoke on areas that need improvement, and i agree with all of them. The community is looking drab and dingy. Time for a remodel/facelift in spots?	7/11/2017 4:39 PM
116	Capri Isles residents should get in property mailboxes rather than a common mailbox area, this makes residents feel they being treated differently	7/11/2017 4:17 PM
117	Get rid of those God hideous signs when we enter the community. Are we really becoming Disney world now? Those signs are horrendous, they take away from the class of the community and I've seen many of my guests laugh at the 'Casino' like experience upon entering the community. Please remove those signs.	7/11/2017 4:10 PM
118	New Gym with indoor Basketball/Volleyball court . If you can provide Kayak even for rent at the lake that will help everyone to enjoy our lake better.	7/11/2017 4:04 PM
119	Add street lights, mandatory seawalls for all lake front properties, restaurant on site, lake cleanup	7/11/2017 4:00 PM
120	Streets renovation and new gym	7/11/2017 3:43 PM
121	New Gym, improved roads, more plant color in both entrances.	7/11/2017 3:26 PM
122	Better Gym	7/11/2017 3:25 PM
123	I THINK CDD IS DOING A GREAT JOB. I SEE NUMBER OF PEOPLE DRIVE AT HIGH SPEEDS ON THE COMMUNITY STREETS. THEY MUST BE SOMEHOE PENALIZED.PENALIZED	7/11/2017 3:08 PM
124	GYM , Street Pavers, Traffic light or street light at junction of Cory Lake entrance and Morris Bridge Road, cleaning the lake (too much mud are in make lake shallow)	7/11/2017 2:54 PM
125	Research and select an attractive speed table to match our existing paver streets. Install the first tables on each straight length of roadway that extends for a minimum of 0.2 mile. In my experience in sitting on several POA and HOA boards this is the ONLY action that will reduce speeding cars to reasonable limits. I have observed cars speeding in front of my home on the way to and from the Cross Creek gate that seem to be going at least 35-45 mph. I have seen cars pass other cars on curves. The offenders vary from residents to FEDX, (UPS seems to observe our limit), lawn service firms, and vendors. The peak time for speeding is early mornings as one drives to work (also the same time our kids are loading on school buses) One approach is to install speed tables just outside the first stop sign at each gate in the first straight away to provide all residents with an introduction to speed table driving, and widely notify the community that if speeding still persists inside the community as evidenced by our radar recorders, then more tables will be necessarily installed to further discourage speeding and the resulting damage to our paver streets.	7/11/2017 2:54 PM
126	CDD is doing a great job to improve our community, same time the main motto would be to keep Cory Lakes as a best community with affordable life style. This year is a major setback as we lose pride elementary and it will directly impact our house values in the market. So we have to think out of the box and reduce unnecessary expenditure to keep our home values up to the market prices. Ex: We don't need big multi purpose room, instead expand club house by removing gym(which will give additional good size to club house). Construct decent size gym near which will reduce big \$ compared to Multi purpose room.	7/11/2017 2:52 PM
127	add a net in the soccer field behind the goal close to the ponds, improve the security training to only allow people to enter after showing their ID and after calling the owner (if not in approved the list)	7/11/2017 2:43 PM
128	Keep up with the dead/dying trees on the curb	7/11/2017 2:39 PM
129	VALLEY BETWEEN TWO LOTS	7/11/2017 2:38 PM
130	Create more things areas for residents to enjoy outdoor living.	7/11/2017 2:22 PM
131	Lights for volleyball court.	7/11/2017 2:21 PM
132	Rejuvenate Streets, build new gym	7/11/2017 2:21 PM
133	Add a dog park.	7/11/2017 2:06 PM

134	Without knowing the budget available it's difficult to give a response.	7/11/2017 1:54 PM
135	Add indoor basketball and a common room facilitt	7/11/2017 1:51 PM
136	Clean inner roads and drains. Repair broken water drains from islands. It looks so dirty and ugly. Clean and remove broken trees on islands. Implement strick rules for home owners with Lake front properties, to keep it clean on Lake front.	7/11/2017 1:50 PM
137	Enlarge area to store boats rv etc	7/11/2017 1:47 PM
138	Bigger workout facility with quality free weights and strength training equipment. Community used kayaks or canoes	7/11/2017 1:45 PM
139	No opinion	7/11/2017 1:42 PM
140	Focus on INFRASTRUCTURE problems and their continued maintenance and hire enough manpower to keep our landscaping in top notch, pristine condition. We cannot expect the few individuals who work for LMP who do the real work each day in this community, despite the weather, to do everything they need to do without extra employees to help them. Instead of more patchwork quilt, outlying amenities, we need to unify the amenities that already exist into a pleasant and coherent appearance that can consistently be maintained.	7/11/2017 1:42 PM
141	Have residents and guests understand to drive slowly through communities. Some ppl go too fast.	7/11/2017 1:40 PM
142	Dear Board Members of CDD, Thank you all for your service to CLI. We truly appreciate your time & efforts to make CLI a better place. We are grateful for having Volleyball court in CLI. We would truly appreciate if we also get Lights on Volleyball court. We dont need to install new Light poles at all. Whatever light poles we have for roller hockey rink, we can use same poles to get light on Volleyball court. This should be very cost effective solution. Again we truly appreciate your cooperation keeping Sports alive in CLI. Thanks & Regards, Kiran Patil 813-965-1242	7/11/2017 1:35 PM
143	pay for things for the kids.	7/11/2017 1:34 PM
144	Add a dog park, add exercise stations along the jogging trail	7/11/2017 1:30 PM
145	Add lights to volley ball court. Add more street lights for night. Clean the street more often.	7/11/2017 1:25 PM
146	Better gym facilities. Also, not a fan of the expressway like signs at the entrance.	7/11/2017 1:19 PM
147	Cut the budget	7/11/2017 1:17 PM
148	Make the gym bigger	7/11/2017 1:10 PM
149	1st - Introduce a game room to include Table-Tennis, Pool Table, Carrom board, Chess, Air Hockey Table. 2nd - Improve the quality of the Palm Tree outside the main gate - in the entrance.	7/11/2017 1:07 PM
150	Fix and maintain existing facilities before we undertake new projects.	7/11/2017 1:00 PM
151	Assist with mailbox maintenance since due to the location of the mailboxes they are always subject to damage.	7/11/2017 12:56 PM
152	1. Organize more activities like concert, BBQ party, etc.; 2. Eliminate dead trees by the street, and mandate a tree replacement (too many empty spots with no tree replacement); 3. Open sports, yoga, dance classes in club house	7/11/2017 12:50 PM
153	Fenced in dog park	7/11/2017 12:49 PM
154	Lower fees	7/11/2017 12:46 PM
155	Capri Isle Homes' Mail Box, beautify front & back gate entries.	7/11/2017 12:46 PM
156	Night and Day parking on the street is a MAJOR problem with no end in sight. Strict enforcement of laws must be adhered with fines being doubled if not in compliance. I need to see improvement in this area. School bus pick up in the community must be limited to side streets and NOT the major roads as this ties up traffic. These are legit concerns for the safety of this community.	7/11/2017 12:44 PM
157	Fix the broken concrete on the islands near the drainage lines, not with more concrete, but rather make it look nice and aesthetically pleasing. Thanks!	7/11/2017 12:38 PM

158	There are constant Issues with the entrance gate on the morris bridge making life miserable at times	7/11/2017 12:37 PM
