He reported the following: 60 The second palm pruning rotation was underway and should be completed in October. 61 Mulch was scheduled to commence the first week of November. 62 \triangleright Once obtained, pest control and fertilization data would be emailed to the Board. 63 Ms. Haque commented that Mr. Martinez was the third or fourth Manager to come 64 before the Board and inquired about his expectations to get the community back on track. Mr. 65 Martinez stated that, upon touring the property with Mr. Hall, he concluded that a lot of work 66

before the Board and inquired about his expectations to get the community back on track. Mr. Martinez stated that, upon touring the property with Mr. Hall, he concluded that a lot of work was pending and attributed the issues to an initially understaffed crew. The current palm pruning crew was separate from the maintenance crew and; it was the second rotation, so there was more familiarity and should be more efficiency. He understood the Board's concerns and was confident that he would succeed because of his extensive landscaping background and he speaks fluent Spanish and can communicate effectively with the crews, which would help greatly, as he could better coach and mentor them. Regarding a time frame for getting the community on track, Mr. Martinez stated it was a matter of focusing on details. He would be guided by a map that was previously created, which breaks the community into quadrants and targets the clubhouse, pool area and main entrances as the key areas to focus on first, followed

by the other areas. Since becoming Manager, he had observed a big change in appearance. Discussion ensued regarding flower bed mulching, training crews to properly use the blowers, spraying weeds and the contract specifications. Mr. Adams stated that the District was withholding payment until DTE gets caught up on the schedule outlined above the bullet point spreadsheet and within the contract itself. After Mr. Hall tours the community with the Manager and agrees that all items on his checklist were addressed and DTE is caught up on the landscaping, payment would be released.

Coach B

Referencing a proposal dated September 27, 2019, Coach B, a tennis professional, voiced his desire to secure a contract with the CDD to be the exclusive pro at Cory Lake Isles (CLI). He outlined his plan to commence and/or expand certain programs, such as charity events, tennis socials, summer camps, free clinics and league play with neighboring communities.

In response to Mr. Woodards' question regarding how the competition between CLI and other communities would be organized, Coach B stated that, through leads from the USTA, he and his students would travel to other communities to participate in tournaments. Recruitment would occur through advertisements, word-of-mouth, the Islander Magazine and/or sign-ups. Mr. Burman asked if there was any reason why tennis players could not come to CLI to participate in tournaments. Coach B stated, due to the lower number of tennis courts, he would not want to hold up the courts by inviting players from other communities, so it would be best to go to a community already set up for tournaments. Discussion ensued regarding water fountains and recycle bins.

SEVENTH ORDER OF BUSINESS Update: Communication with Republic **Services Regarding Recent Leaks**

Mr. Adams stated that Special Counsel heard from Mr. Hart, the attorney for Republic Services (RS). RS was frustrated that the District's counter-offers were much higher than their original offer. In discussing strategy, Mr. Adams inquired about filing a lawsuit to show that the CDD is serious. Special Counsel estimated that it would cost \$5,000 to \$6,000 to get RS to consider negotiating a settlement. In response to Mr. Shah's question, Mr. Adams stated that the District would need to expend a \$400 filing fee and \$3,500 to \$5,000 to prepare the suit itself. Mr. Shah suggested giving RS another 30 days to respond and considering whether to file a lawsuit at the next meeting. Discussion ensued regarding whether to wait to file the suit, the pavers, the environmental impact of the leaks and case law.

On MOTION by Mr. Burman and seconded by Mr. Woodards, with all in favor, authorizing Special Counsel to file suit against Republic Services in a not-to-exceed amount of \$6,000, was approved.

EIGHTH ORDER OF BUSINESS

Continued Discussion:

Roadway

Replacement

- Mr. Chang stated that the Board previously directed him to examine three scenarios to address the aging roadways and come up with new or replacement roadway surfaces. He discussed the following options:
- 127 1. Completely replace the current pavers with new pavers at a cost of \$31 million.
- 128 2. Replace the current pavers with asphalt at a cost of \$18 million.
- 129 3. Use pavers only at each intersection and pave the remainder of the roads in asphalt at a130 cost of approximately \$20.5 million.

Discussion ensued regarding the estimates of the paver project, sealing the bricks, pressure washing, artificial sealers, manholes, recycling the pavers, the City, the budget and bond issuance. Mr. Adams stated that the roadway renovation decision was a long way off, it would be well-publicized, town hall meetings would be held and the community would be fully informed before anything happened. This was an initial step to estimate the costs. He would produce a financial spreadsheet of the roadway renovation project and outline a magnitude, per product type, to offer more realistic numbers than the District Engineer's cost opinions.

Mr. Burman suggested that Staff draft and place a brief article in the Islander alerting residents that the CDD is in the planning stages of a major future road renovation project.

Mr. Hall distributed a proposal from Pope's Water Systems, Inc., Well Drilling & Service (Pope) for a 5" irrigation replacement well, in the amount of \$13,887 per well; three wells are needed. Mr. Burman asked why the new irrigation wells were needed. Mr. Adams stated the water in the wells was so hard that even with a maximum amount of chemical treatment to kill the vegetation it is not reducing the iron content enough to keep from staining sidewalks and roadways. Instead of spending \$1,500 per month on chemicals, the CDD could get better quality water by drilling deeper wells. This would be more cost-effective, in the long-term; however, it would be rather expensive in the short-term. As to funding, Mr. Adams stated it would be an unbudgeted item and fund balance would be used. He recommended holding off until the Fiscal Year 2021 budget is proposed when there is an ability to increase assessments; this work could be part of the capital outlay schedule for Fiscal Year 2021. The well project would be a \$42,000 investment and the return on investment would take approximately 2½ versus the \$1,500 per month expense for the rust inhibitor program, which amounts to \$18,000 per year. Discussion ensued.

QUORUM CHECK

Supervisors Burman, Woodards and Haque confirmed their attendance at the November 21, 2019 meeting.

FOURTEENTH ORDER OF BUSINESS Other Business

Mr. Burman stated the Supervisor of Elections (SOE) was still very interested in opening a polling facility within CLI and proposed to supply curtains and screen off a section of the Beach Club to avoid interfering with Staff or daily operations. He presented a contract that must be signed with the SOE for the use of the facility. Mr. Adams stated that the agreement was a standard government agreement, has indemnity protection for the CDD and covers the primary election dates of March 17 and August 18, 2020 and the November 3, 2020 General Election. The CDD would be compensated and Mr. Adams could execute and transmit it.

On MOTION by Mr. Burman and seconded by Ms. Haque, with all in favor, the Polling Agreement with the SOE, to use the Beach Club as a polling place for elections on March 17, August 18 and November 3, 2020, and authorizing Management to execute, was approved.

In response to a question, Mr. Burman stated that the facility would be safe and secured and only CLI residents would be allowed to vote in the facility.

The Board and Staff discussed which tennis coach to enter into an agreement with, including compensation, advertising, Certificate of Insurance (COI), a tennis policy and notifying the candidates of the Board's decision to partner with Coach B. Mr. Adams would draft an agreement, inform Coach B of the decision and invite him to the December meeting. The Board would email specific items they want included in the agreement. Ms. Schewe was asked to forward a prior tennis agreement between CLI and PROtential to the Board. Mr. Adams would alert Mr. Shah and Mr. Castillo of the decision to contract with Coach B and include their contributions in the Tennis Coach Agreement.

Discussion ensued regarding the recycling program.

FIFTEENTH ORDER OF BUSINESS

Public Comments (non-agenda items)

Mr. Ron Acoff, a resident, expressed his appreciation that tonight's meeting was peaceful and professional, in contrast with the previous meeting. If the Chair and Vice Chair were in attendance he would ask how they could allow such animosity at a Board meeting and felt that they, along with the residents who called for Mr. Burman's ouster from the CDD Board, owe Mr. Burman an apology.

Ms. Cindy McIntyre, a resident, stated that she, along with a number of residents, were exceptionally appalled at what occurred at the last meeting and read the following statement into the record:

"At the last CDD Meeting, Parag Shah read a statement accusing Dr. Burman of racism. I am here to set the record straight regarding the distortions and lies Parag expressed in his statement.

I was a recipient of the original email and as such am familiar with not only the contents but the intent of the email. The email was in response to the fact that Dr. Burman is frequently contacted by homeowners with concerns. In response, Dr. Burman encouraged the recipients of the email to attend CDD meetings to represent their needs.

He used Capri Isle as an example of 'squeaky wheel gets the oil' because people from Capri Isle attend CDD meetings and make their needs known. As a result, Capri Isle has had many CDD funded additions. He never said CAPRI ISLE DOES NOT DESERVE THESE THINGS.

In fact, the record will show Dr. Burman has voted in favor of Capri Isle when it came up for a vote! His email was merely encouraging homeowners to attend CDD meetings if you want to be heard. He further stated the fact that he is only one supervisor. Therefore, if he is the only one in support of an issue it is his one vote to 4 in opposition.

NEVER did Dr. Burman single out any ethnic group in this email.

Those are the facts.

From the additional comments made that night it was apparent Sid and Parag Shah had spread false information about this email to select residents in CILI. Residents claimed Dr. Burman was a racist because he singled out the Indians in Capri Isle—This is false. David never mentioned any ethnic group. Dr. Burman is not a racist. I believe this racist narrative was originated and spurred by Sid and Parag. It is their uncontrolled rhetoric that continues to divide CLI.

One definition of Racism is ANTAGONISM DIRECTED AGAINST SOMEONE OF A DIFFERENT RACE BASED ON THE BELIEF THAT ONE'S OWN RACE IS SUPERIOR.

Most people in CLI are unaware that Dr. Burman's house had thousands of dollars in damage done by vandals with swastikas painted on the garage. Neighbors saw brown-skinned men running from the area. However, out of fear, they chose not to get involved. Plain and simple, THAT IS RACISM. Dr. Burman and his wife are Jewish.

I think we would all agree that racism is wrong! We should all feel safe and welcome in CLI. My husband and I moved to CLI because of the many diverse cultures represented.

Unfortunately, there is a select small group of people in CLI with Sid Shah as their leader who use these same false racist accusations as bullying tactics against Dr. Burman that they used to get Greg Nielson to step down as POA President. Greg was subject to repeated public attacks led by Sid Shah accusing him of racism. It worked to get Greg to step down so their playbook was written.

As the 2020 CDD election draws near they may escalate their racist attacks on Dr. Burman in an effort to stop him from running again.

Until Sid Shah began his false accusations of racism in CLI there was none. That was three years ago. Look where we are today. If asked, one might say there is racism at CLI because that is the narrative that Sid wants people to believe. It allows him to manipulate people to do his bidding.

Falsely claiming someone is a racist does not make that person a racist. It makes the accuser a racist!"

MINUTES OF THE SECURITY COMMITTEE/NEIGHBORHOOD WATCH MEETING

CORY LAKES COMMUNITY DEVELOPMENT DISTRICT (CDD)

The Security Committee meeting was held on **Monday, 4th November 2019 at 7:04 p.m.** at the Beach Club, 10441 Cory Lake Drive, Tampa Florida 33647.

Committee Members Presents: AJ Forbes (Chair), Sheryl Springer (Coordinator, Neighborhood Watch/Keep Tampa Bay Beautiful (KTBB) Team Leader), Harry Ramphal (Chair, POA Board and Security Liaison), Erin Uhler (Event Coordinator), Brian Little (Traffic Coordinator) and Michele Echols. **Absent:** Jorge Castillo (Chair, CDD Board and Security Liaison), Angela Delgatto and Victoria Orr (Data Analysis).

First Order of Business: Call to Order: Attendance

There were four guests in attendance:

John Hall - Facility Manager (FM), Cory Lake Isles CDD

Dr. Anoop Reddy - Vice President, POA

Vandana Iyengar – Resident

Jerry Belyea – Resident

Second Order of Business: Auto Burglaries

- During the early morning of October 30th several residents' automobiles were burglarized along with some attempted auto burglaries. This is still an ongoing investigation by Tampa Police.
- Recommendation:
 - a. Have Rover Guard perform patrol in a non-systematical pattern.
 - b. Purchase two (2) night vision motion security cameras to monitor pedestrian movements through both pedestrian gates at both entrances.
 - -- The community was surgically dissected by at least two professional auto burglars. They went from Isle to Isle after entering through the pedestrian Morris Bridge gate and departed through the Morris Bridge gate in a resident vehicle they stole.
 - -- The burglars knew their way around the community possibly had some inside connection.

Third Order of Business: Use of Fireworks in the Community

- Residents are continuing to use Fireworks on residential and CDD properties. (Attachment #1 CDD & POA Fireworks policies).
- Recommendation:
 - a. To acquire agreement between the CDD and POA to have the on-duty Rover report repeated offenders who fail to cease and assist to the POA for citation.
 - b. Continue media and email communications towards residents.

Forth Order of Business: Social Media/Welcome Packages

 Our new on-line community's Neighborhood Security Newsletter is always available for viewing at: https://tinyurl.comyakthtzs

Fifth Order of Business: Monthly Tampa Police/State Trooper Report

The committee continues to monitor the City of Tampa online TPD Call for criminal/crime activities. (Attachment #2 – Grid 254 TPD/FL State Trooper, POA & CDD Call/Speeding Events Report).

Sixth Order of Business: Automobile Speeders within the Community

- The POA has temporary discontinues the process to collect the speeding data. Drivers seem
 complacent at driving between 40-50 mph. Tampa Police resources does not seem to be focused on
 speeding enforcement within the community as they were in 2018, although they are constantly
 enforcing the 45 MPH speed limit along Cross Creek Blvd.
- Stepped up speed enforcement along the Bermuda Bus Stop zone.
- Recommendation:
 - a. Continue the speeding infractions partnership between the CDD and POA.
 - b. Purchase and install new Amber/Black "Slow Down Speed Limit 25 MPH" speed signs on every Isle. (Attachment #3 Amber/Black "Slow Down Speed Limit 25 MPH" speed sign).
 - c. Continue testing of possible new radar speed cameras.
 - d. Continue media and email communications towards drivers.

Seventh Order of Business: Open Forum/Final Thoughts

Community Fall Festival and Veteran's Car Show will be this Saturday from 11:00 a.m. – 1:00 p.m.

Last Order of Business:

Adjournment

8:16 p.m.

Next meeting is scheduled for Monday, 6th January 2020 at 7:00 p.m.

The Security Committee will forgo having meetings on the 3rd month of each quarter (March, June, September and December). Instead, the Neighborhood Watch Team will meet instead and host an unrecorded gathering. This gathering will be used to build community relations.

- Advertising for the upcoming events: Holiday Boat Parade, Cookies with Santa
- Created flyers for upcoming events: New Resident Mixer
- An LED slide was created to remind resident to Lock their car doors to prevent any crimes of opportunity.

Events

Completed:

• Fishing Tournament (November 2 | 7am-12pm)

26 participants showed up to fish in the CLI fishing tournament. The event ran for 5 hours giving residents time to fish from the dock, shoreline or in a boat. Six trophies in total were give out to adults and kids alike. Everyone who participated did comment on the fun they had.

• Fall Festival (November 9 | 11am-1pm)

Over 200 residents came out to enjoy the festival. 15 pizzas were purchased and sold out during the event. Water was free for all. A Party 2 Remember supplied the bounce houses and interactive games. The new DJ from Crew Entertainment was a big hit with announcements and music. TPD was present with their K9 unit and even did a short demonstration. The Car Show had 4 participants and a winner was selected after tallying the votes. Over all this event was very successful. The only issue we encountered was the high grass in the field due to landscaping not cutting the grass. There was also a large amount of ant beds though out the field.

Upcoming:

• Holiday Boat Parade and Celebration (December 7 | 7pm-9pm)

Working with our longtime sponsor Jerilyn Rush to coordinate the Boat Parade with the celebration at the Beach Club. It was decided to start the boat parade at 6pm in contrast to the 5pm start time in previous years. A holiday train ride for the kids has been booked along with a Santa for pictures. Refreshments will include fruit trays, veggie trays, and other appetizers.

Cookies with Santa (December 12 | 1pm-3pm)

The Santa has been booked for this event. This will be the same Santa that has been at our community for years and the children really seem to love the magic that he brings. Tickets will be available at the CDD office starting November 1, 2019. The tickets are free but due to a capacity limit, residents will need a ticket to enjoy this event. Jen Wiggins, Realtor, has agreed to sponsor this event. Containers were bought for the cookies that are decorated during this event. In the past, residents would use paper plates to transport the cookies home, however it was decided to purchase something more practical.

Community Relations

• Welcome Wagon

There were 8 new residents. (5 homeowners & 3 tenants) Small tabletop plants were purchased for each new resident. A welcome card including CDD information and an invitation to the next resident mixer was attached to each gift and placed on each new resident's doorstep.
