"Further, please be advised that the Florida Governor's Office has declared a state of emergency due to the Coronavirus (COVID-19). As reported by the Center for Disease Control and World Health Organization, COVID-19 can spread from person-to-person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth. Therefore, merely cleaning facilities, while extremely important and vital in this crisis, may not be enough to stop the spread of this virus.

Mr. Castillo stated charity donations should be kept on a personal level. Ms. Haque stated the Board could not donate to a charity, as far as payment was concerned. The consensus was to hold off on the charity donation and keep the bonus amount at \$200 each.

Mr. Burman discussed a recent social media post about a woman who had trouble walking her stroller between two sidewalks because the streets were blocked by vendor vehicles. He felt that the Board should take action. Discussion ensued regarding vendors and others who block driveways, keeping the community safe, engaging a daytime rover and enforcement by the Tampa Police Department (TPD). Mr. Castillo would ask the TPD and FHP to issue warnings once everything is back to normal.

FOURTH ORDER OF BUSINESS

Public Comments (agenda items) [3 minutes per speaker]

Ms. Heidi Grisham, a resident, asked when the gym and other amenities would open. Mr. Castillo stated the CDD was following the path of larger municipalities, such as the County and City, while also following Centers for Disease Control (CDC) guidelines. Staff must be mindful of posting cleaning requirements, especially around pools, gyms and community centers. Discussion ensued regarding asking residents to sign a waiver to use the amenities at their own risk, scheduling gym appointments, providing gloves and disinfectants, hiring staff to monitor the pool and the gym, etc. Mr. Castillo stated the CDD needs two weeks to plan the logistics and to mirror how neighboring communities are operating/monitoring their gyms.

Ms. Roberta Carroll, a resident, stated that the CDC suggested having residents sign waivers before gym and pool use and that disinfectants/wipes be available.

Ms. Anne Bellyea, a resident, suggested using a fogging machine with a special liquid approved to kill the virus. She would provide Ms. Schewe with more information about the fogging machine.

Mr. Parag Shah, a resident, asked about opening the playgrounds. Mr. Castillo stated Staff could open the playground in the morning. Mr. Hall stated Hillsborough County has yet to open parks and picnic areas to the public. The consensus was to reopen the playgrounds.

Ms. Cynthia McIntyre, a resident, voiced her opinion that Lines 207 through 209 and 213 through 215, in the February 20, 2020 draft meeting minutes, should be amended. She stated that she did not use the CDD's email on the flyer to publicize the women's luncheon; the email address that was used was corylakeislescommunity@gmail.com and her group had used that address for almost three years.

Ms. Luise Burman, a resident, felt that Lines 211 and 212 of the February 20, 2020 minutes should be deleted. In her opinion, the sentences accuse her of having political conversations with the POA President's wife and no such discussions occurred at the luncheon. Mr. Castillo stated the sentences would be stricken from the record.

Ms. Beth Mitchell, a resident, stated the fogging machine mentioned earlier is called a "sniping" machine. Health care workers utilize it to sanitize gowns. She was unsure if the device would work on electronic equipment, as it gives off a fog or a mist.

166

Mr. Adams provided a copy of the CDD Drug-Free Workplace (DFW) Policy outline provided by the District's current insurance carrier. After conferring with the agent, it was determined that it would not make financial sense for the District to execute the policy because the discount would not come near to covering the cost to actually implement. CLI currently employs two full-time, two part-time and a number of seasonal employees and the overall salaries and discount percentage for operating a DFW do not offset the costs of implementation all the standards that must be met in order to receive credit. Discussion ensued regarding costs to implement the program, drug-testing and DFW requirements.

Committee Reports

A. Security

Ms. Springer stated, due to the pandemic, the Committee had not met and meetings would resume once the Committee is allowed to meet. Mr. Adams stated the Committee could host virtual meetings, via Zoom. Once Ms. Springer sets them up, she should alert management, for posting purposes, so that the public could participate. As to when on-site meetings could resume, Mr. Adams stated subcommittees should follow the CDD and the CDD should follow along the Governor's Executive Orders.

B. Landscape Aquascape Facilities

Ms. Haque stated that the Committee did not meet. She noted that her neighbor and fellow LAF Committee member, Mr. Scott Hall, passed away; which is a huge loss to Cory Lakes.

Mr. Shah voiced his opinion that LMP and OLM are doing a tremendous job on the landscaping and have turned the community around.

SIXTEENTH ORDER OF BUSINESS Other Business

Mr. Adams asked if a large alligator in the lake was captured. Mr. Hall stated that efforts to capture the gator were unsuccessful and, since the District is a conservation area, there are several restrictions when setting traps. The alligator must be captured alive and turned in alive.

SEVENTEENTH ORDER OF BUSINESS

Public Comments (non-agenda items)

Mr. Harry Ramphal, a resident and POA President, voiced his opinion that certain individuals tend to change the narrative/minutes to suit their needs and mentioned a 2015 incident involving the Burman home, which was blamed on "brown people", when the police report states that the perpetrator was Caucasian. He felt that there is a racist agenda in the community, which he would address at every meeting with facts. Mr. Castillo stated that discussions regarding racial issues would not be allowed in future meetings. Discussion ensued regarding racial tensions in the community, the POA addressing the issue of property owners who do not take care of their homes, issuing citations and selective enforcement.

Ms. McIntyre clarified her statements regarding the Burman incident from 2015 and stated that neighbors saw brown skin people running from the Burman home. She was not referencing a police report, she pointed out that Mr. Burman was a victim of bigotry, as evidenced by people paintballing and painting a swastika on his home. Discussion ensued.

EIGHTEENTH ORDER OF BUSINESS Supervisors' Requests

Mr. Shah stated that two signs, on both ends of Morris Bridge, and additional arrows turning into Cory Lake were installed.

Mr. Castillo thanked everyone who attended the meeting.
