Topic Title : Blood Drive Event - SUCCESS! (Author : Amanda Schewe, Replies : 2)	
Author	Message
Amanda Schewe Tue Feb 02, 2021 10:18 am	<p>Hello everyone! I wanted to reach out and let you know that the Blood Drive was a HUGE success! The attached letter is what I received as a follow up along with the Honor Roll they provide to highlight those that participated! The representative shared that their projection was 10 units of blood but they collected 17! A huge thank you to those who donated.</p> <p>Judi Beck was onsite as a sponsor and served as a check-in assistant. Sid Shah donated fifteen \$10 gift cards for those who participated. These extra incentives were just the cherry on top!!!</p> <p>The letter does mention the next scheduled blood drive on 3/27/2021. This is of course dependent on Board approval at the next meeting. Thank you!</p>
Sheila Haque Tue Feb 02, 2021 3:08 pm	<p>That's fantastic news 😊 Glad we had a great turnout!</p>
Sudhir (Sid) Shah Thu Feb 04, 2021 11:16 am	<p>Thank you all donors! It's very much appreciated.</p>

Topic Title : Speeding Education (Author : Amanda Schewe, Replies : 1)

Amanda Schewe Tue Feb 02, 2021 11:07 am	<p>Below are the steps that have been taken to inform residents about the speeding rules, the dangers of speeding, and steps being taken to minimize speeding:</p> <p>Islander - Very frequently there are articles and reminders about speeding.</p> <p>LED Signs - There is always a message on the entrance signs that highlights our 25mph speed limit inside the community.</p> <p>Visitor Cards - Each new guest that comes through the security gates receives a postcard size map of the community on one side, and a big '25mph throughout the entire community' on the other side.</p> <p>Email Blasts - Very frequently there is a small reminder in email blasts that remind residents of the speed limit.</p> <p>Florida Highway Patrol - 16 hours a month we have an officer on-site to control speeding.</p> <p>Tampa Police Department - During holidays we request for an off duty police officer to be on-site to deter crime and control speeding.</p> <p>Radar Signs- The speeding radar signs help give residents a visual reminder of their speed. The camera on the radar captures video/pictures of speeders going over a set limit. Once we have the information from that radar, we send a letter informing those caught speeding of our community speed limit. In the past, the CDD office would send visitors caught speeding a letter and all residents caught speeding information would be shared with the POA. However, recently the CDD office has been sending letters to ALL speeders (visitor or resident).</p> <p>Hopefully, I have listed everything that has been done to help residents and guests understand that the speed limit in the community is 25mph. John, please feel free to</p>
