#### **RESOLUTION NO. 2022-03**

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE CORY LAKES COMMUNITY DEVELOPMENT DISTRICT AUTHORIZING THE TERMS, EXECUTION, AND ISSUANCE OF ITS CAPITAL IMPROVEMENT REVENUE NOTE SERIES 2022, A LOAN AGREEMENT, CERTIFICATES, AND RELATED DOCUMENTS TO EVIDENCE A LOAN IN THE PRINCIPAL AMOUNT OF \$700,000 TO FINANCE REPAIR AND RECONSTRUCTION OF DISTRICT OWNED ASSETS AND CAPITAL IMPROVEMENTS INCIDENTAL THERETO; AUTHORIZING AND APPROVING CERTAIN COVENANTS AND AGREEMENTS WITH FINEMARK NATIONAL BANK & TRUST IN CONNECTION HEREWITH; COVENANTING TO BUDGET AND APPROPRIATE LEGALLY AVAILABLE NON-AD VALOREM REVENUES TO PAY THE NOTE; AND PROVIDING FOR AN EFFECTIVE DATE.

### BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE CORY LAKES COMMUNITY DEVELOPMENT DISTRICT:

Section 1. Definitions. As used herein, unless the context otherwise requires:

"Act" means Chapter 190, Florida Statutes.

"O&M Assessments" means the annual maintenance non-ad valorem special assessments levied in each year upon all of the assessable real property in the District.

"Bank" means FineMark National Bank & Trust, the original purchaser of the Note.

"Board" means the Board of Supervisors of the District.

"**Chair**" means the Chair of the Board and such other person as may be duly authorized to act on the Chair's behalf.

"**District**" means the independent special purpose unit of local government known as the Cory Lakes Community Development District created in accordance with the provisions of the Act.

"**Enabling Ordinance**" means Ordinance No. 91-162, enacted by the City Council of the City of Tampa on September 5, 1991.

"Note" means the District's \$700,000.00, Capital Improvement Revenue Note, Series 2022.

"**Project**" means the re-roofing of the clubhouse and gatehouses and replacement of major outfall structures of the community drainage system and related costs thereto including, but not limited to, engineering and legal expenses, capitalized interest, and costs of issuance of the Note.

"**Resolution**" means this Resolution, authorizing the issuance of the Note, as the same may from time to time be amended, modified or supplemented.

**Section 2.** Authority for Resolution. This Resolution is enacted pursuant to the provisions of the Act. The District has ascertained and hereby determined that enactment of this Resolution is necessary to carry out the powers, purposes and duties expressly provided in the Act, that each and every matter and thing as to which provision is made herein is necessary in order to carry out and effectuate the purposes of the District in accordance with the Act and Enabling Ordinance and to carry out and effectuate the plan and purpose of the Act, and that the powers of the District herein exercised are in each case exercised in

accordance with the provisions of the Act and Enabling Ordinance and in furtherance of the purposes of the District.

- Section 3. Private Placement. The Board finds that a negotiated sale of the Note is in the best interest of the District because of the flexibility available in structuring the Note and its terms, the market for instruments such as the Note is limited, because of prevailing market conditions and because the delays caused by soliciting competitive bids could adversely affect the District's ability to timely issue and deliver the Note.
- Section 4. Note, Loan Agreement, Certificates, and Related Documents. The District hereby approves the form and content of the Note, loan agreement, certificates, and related documents (collectively, the "Loan Documents") presented at this meeting and attached hereto as Exhibit A. The Chair is hereby authorized to execute and deliver the Loan Documents and the Secretary, or any Assistant Secretary is authorized to attest thereto, in substantially the form presented at this meeting with such changes, modifications, deletions, and insertions as the Chair may deem necessary and appropriate. Such execution and delivery shall be conclusive evidence of the approval thereof by the District.
- Section 5. Authority for Issuance of Note. Subject and pursuant to the provisions hereof and of the Note, the issuance of the Note in substantially the form attached as **Exhibit A**, maturing under a period of less than 5 years, at the interest rate described therein, is hereby authorized in an aggregate principal amount of \$700,000 and no/100 Dollars. The proceeds of the Note may be utilized by the District for the Project and all other lawful purposes. The District hereby acknowledges and affirms the indebtedness evidenced by the Note to the Bank.
- Section 6. Note not to be General Indebtedness of the District. The Note shall not be, nor shall it constitute a general obligation or indebtedness of the District within the meaning of the Constitution of Florida but shall be payable from and secured by a lien on and pledge of the O&M Assessments levied in each year upon the assessable property in the District, in the manner and to the extent set forth herein and in the Note. The Bank shall never have the right to compel the exercise of the ad valorem taxing power of the District or taxation in any form on any real or personal property to pay the Note or the interest accruing thereon, nor shall the Bank be entitled to payment of such principal and interest from any funds of the District other than the O&M Assessments, all in the manner and to the extent described herein and in the Loan Documents. The District has never utilized its ad valorem taxing power and has always funded its operations solely through the O&M Assessments. The District expressly does not covenant to maintain any services or programs now provided or maintained by the District which generate non-ad valorem revenues.
- Section 7. Note to be Secured Solely from Proceeds of the O&M Assessments. The Note shall be secured solely by a lien on and pledge of the O&M Assessments. As described further in the Loan Documents the District covenants to budget and appropriate the O&M Assessments to repay the Note. The District has already budgeted for and collected revenues sufficient to make this year's payments on the Note.
- **Section 8. Open Meetings**. It is hereby found and determined that all official acts of the Board concerning and relating to the issuance, sale, and delivery of the Note, including but not limited to adoption of this Resolution, were taken in open meetings of the Board and all deliberations of the members of the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirements of Florida Statutes, Section 286.011.
- Section 9. Approval of Prior Actions. All actions taken to date by the members of the Board and the District officers, agents and consultants of the District in furtherance of the issuance of the Note,

including, but not limited to, the approval of the Bank term sheet dated October 25, 2021, are hereby approved, confirmed and ratified.

- **Section 10. General Authority.** The Chair and the members of the Board and the officers, attorneys and other agents or employees of the District are hereby authorized to do all acts and things required of them by this Resolution and the Loan Documents or desirable or consistent with the requirements hereof and thereof, for the full punctual and complete performance of all the terms, covenants, and agreements contained in the Loan Documents, including the execution of any documents or instruments relating to payment of the Note, and each member, employee, attorney and officer of the District is hereby authorized and directed to execute and deliver any and all papers and instruments and to do and cause to be done any and all acts and things necessary or proper for carrying out the transactions contemplated hereunder.
- **Section 11. Savings Clause.** If any section, paragraph, sentence, clause or phrase of this Resolution shall, for any reason, be held to be invalid or unenforceable, such decision shall not affect the validity of the remaining sections, paragraphs, sentences, clauses or phrase of this Resolution.
- Section 12. No Third-Party Beneficiaries. Except as herein otherwise expressly provided, nothing in this Resolution expressed or implied is intended or shall be construed to confer upon any person, firm or corporation other than the District and the Bank as parties to the Note, any right, remedy or claim, legal or equitable, under or by reason of this Resolution or any provision hereof; this Resolution and all its provisions being intended to be and being for the sole and exclusive benefit of the District and the Bank as parties to the Note.
- Section 13. Controlling Law; Members of the Board not Liable. All covenants, stipulations, obligations, and agreements of the District contained in this Resolution and the Loan Documents shall be covenants, stipulations, obligations and agreements of the District to the full extent authorized by the Act and Enabling Ordinance and provided by the Constitution and laws of the State of Florida. No covenant, stipulation, obligation or agreement contained in this Resolution and the Loan Documents shall be a covenant, stipulation, obligation or agreement of any present or future member, agent, officer or employee of the District or the Board in his or her individual capacity, and neither the members or officers of the Board nor any official executing the Loan Documents shall be liable personally or subject to any personal liability or accountability by reason of the issuance or the execution of the Loan Documents by the District or such members thereof.
- **Section 14. Conflicts.** All resolutions or parts thereof which conflict herewith are, to the extent of such conflict, superseded and repealed.
- Section 15. Effective Date. This Resolution shall take effect immediately upon its passage.

Passed and Adopted by the Board on February 17, 2022.

#### CORY LAKES CDD

DRAFT

In consideration of the COVID-19 pandemic, this meeting was being offered virtually, via 40 Zoom, and telephonically, to allow public participation while reducing person-to-person 41 42 contact. 43 44 SECOND ORDER OF BUSINESS **Chairman's Opening Comments** 45 Mr. Castillo welcomed all meeting attendees, wished everyone a Happy New Year and 46 47 voiced his appreciation for resident participation at regular meetings. 48 **Other Supervisors' Opening Comments** 49 THIRD ORDER OF BUSINESS 50 Mr. Shah stated it was the Board's privilege to serve the community and reported that 51 52 the City of Tampa (COT) would soon commence repairing the sewer manholes in the 53 community, starting with Barbados and followed by Java. 54 Mr. Acoff welcomed everyone and stated, in 2021, the Board spent a great deal of time planning and adding strategic items to the budget that would move the community forward 55 and, in 2022, the Board is well-positioned to tackle the security issues. The Board looks forward 56 57 to coordinating with and hopes to have full engagement from the community. Mr. Fontcha stated it was good to see the meeting so well-attended, thanked everyone 58 59 for coming and expressed his hope for continued community engagement. 60 FOURTH ORDER OF BUSINESS 61 Consideration: Resolution 2022-02, 62 Providing for the Public's Opportunity to Be Heard; Designating Public Comment 63 64 Periods; Designating a Procedure to Identify Individuals Seeking to Be Heard; 65 66 Addressing Public Decorum; Addressing Exceptions; and Providing For Severability 67 68 and an Effective Date 69 70 Mr. Adams recalled that the Board asked to review the CDD's Policies on the public's 71 right to speak. Research revealed that a resolution such as this should have been adopted in 2014 but it was not. He reminded the Board that Wrathell, Hunt and Associates (WHA) started 72 managing the CDD in 2015 and, until now, had no need to locate or refer to the policy. 73 74 Mr. Adams stated Resolution 2022-02 was reviewed by District Counsel, who had no

75 revisions. This Resolution accomplishes the following:

CORY LAKES CDD DRAFT January 20 2022 76  $\geq$ Recites Statute 286.0114 regarding the public's right to be heard. 77  $\triangleright$ Sets forth how public comments must be placed on the agenda, including limitations and latitude by the presiding officer, meaning the Chair or Vice Chair, in absence of the Chair. 78 79  $\geq$ Delineates public decorum and highlights that all public comments must be directed to 80 the Board, as a body, and not as individuals. 81  $\geq$ Lays the groundwork under which the Board is required to operate. Discussion ensued regarding Section 2 related to designating a procedure to identify 82 83 individuals seeking to be heard and Section 4 related to exceptions. Walk-on items and how to 84 address controversial items were also discussed. 85 On MOTION by Mr. Shah and seconded by Mr. Castillo, with all in favor, 86 87 Resolution 2022-02, Providing for the Public's Opportunity to Be Heard; Designating Public Comment Periods; Designating a Procedure to Identify 88 89 Individuals Seeking to Be Heard; Addressing Public Decorum; Addressing 90 Exceptions; and Providing For Severability and an Effective Date, was adopted. 91 92 93 FIFTH ORDER OF BUSINESS Public Comments (agenda items) [3 94 minutes per speaker] 95 Resident Roberta Carroll voiced her opinion that some of the metal parts of the 96 97 playground have deteriorated, additional sand is needed in the play area and benches and 98 surfaces need to be power-washed and painted. She would like cantilever umbrellas to be installed in the pool area. She felt that fireworks need to be regulated, the rover is ineffective, 99 100 additional security cameras are needed and the CDD needs to maintain the amenities better. 101 Resident Lee Hollingshead, of Canary Isle Drive, asked for clarification of whether the 102 CDD or the POA oversee illegal overnight parking on CDD streets. She reported that a resident

on her street parks a 24' cargo truck and, at times, a moving van on the street for days at a
time. She stated that neighbors complained to the POA and the CDD about it but neither entity
did anything to resolve; she would like this issue taken care of.

106 Mr. Adams stated that the Covenants, Conditions and Restrictions (CCRs) of the POA, 107 outlining street parking guidelines, was provided to Ms. Hollingshead. He explained that, 108 although the CDD has identified parking violations and placed stickers on illegally parked 109 vehicles, District Counsel has cautioned against it and stressed that the POA has enforcement 110 powers because of the language in the CCRs.

#### CORY LAKES CDD

DRAFT

Discussion ensued regarding the CCRs, responsibility for code enforcement, public roads and involving the Tampa Police Department (TPD). Mr. Acoff felt that these issues must be addressed otherwise the community would be lost. Mr. Adams suggested that Staff take time stamped photographs of vehicles and include that in the Post Orders given to the rover.

Resident Joshua Russell expressed his opinion that the illegally parked vehicles on Canary Isle Drive are proving to be a real problem and, if the violator is not fined, it would mean that other residents could also park unsightly and/or oversized vehicles on the street with no repercussion, which he thought would diminish the neighborhood. He stated that the last response he received from the POA was that the streets are public, the POA has no enforcement powers and no one can enforce 'No parking' violations.

121 Discussion ensued regarding street ownership, public versus private streets, tax-exempt 122 financing of the roads, the IRS, bond issues, etc.

Resident and POA President Harry Ramphal commented on garbage pickup, residents leaving trash cans out, misinformation on the waste management website and residents' responsibility to lock car doors and maintain their personal property. He stated that the POA is not responsible for the palm trees and thanked the CDD for maintaining them and for circulating a letter to residents. He wished to hold a joint CDD/POA meeting. Mr. Castillo stated a joint meeting would be held in February.

Resident Prashant Bodhe expressed appreciation that the sidewalks were pressure washed and for the cricket pitch construction, which has commenced. He asked for the Board to attend the official opening of the cricket field.

Resident Kara Greco stated she is on the POA's short-term rental team and asked the Board's permission to access visitor files of who is coming to a certain property in order to address the issue of a homeowner using their home as a short-term rental but denying it and claiming that their family members are residing in the home.

Ms. Schewe asked if a public records request could be made of a guest list of visitors to a private property. Mr. Adams suggested the POA forward an official public records request and he would check with District Counsel regarding feasibility.

139 Resident A.J. Forbes asked about the possibility of the community towing illegally 140 parked vehicles. Mr. Adams stated the CDD can only have vehicles towed off of designated

141 parking areas, such as adjacent to the cluster mailboxes in Capri Isle and the playground; the 142 area must be on CDD property and not a public right-of-way (ROW). 143 Resident James Carroll asked if anything, other than the cost, would prohibit the CDD 144 from taking over the roads as a CLI community and, thereby, not being subject to any code 145 enforcement restrictions. Mr. Adams stated, by virtue of the CDD's ownership of those roads, 146 the CDD is specific to the Cory Lake community and the CDD purchased the roads from the 147 Developer using bond funds or tax-exempt financing that would be paid off in 2023 and 2043. 148 Update: Landscape Activities 149 This item was an addition to the agenda. 150 Mr. Steve Small reported that the winter cutbacks commenced and would continue until 151 March and the annuals would be installed tomorrow. 152 Mr. Acoff asked if the staffing shortfall was remedied. Mr. Small stated there was never 153 a staffing issue at CLI and LMP is currently maintaining the staff at other sites. 154 155 SIXTH ORDER OF BUSINESS Presentation/Consideration: Proposals for 156 Security Guard Services 157 158 Mr. Castillo stated it would be courteous and respectful for individuals who are not 159 presenting to excuse themselves from the meeting room while others are presenting. 160 Α. Allied Universal 161 There being no Allied representative in attendance, the next presenter followed. 162 Β. GuardOne Security (GOS) 163 Mr. Mike Rittenour, Regional Vice President of GuardOne Security, thanked the Board 164 for considering GOS for the CDD's security services. He introduced Ms. Crystal Plummer, area 165 Vice President, and Mr. Michael Stewart, Business Development Manager. Mr. Rittenour 166 highlighted the following: 167  $\triangleright$ GOS is a regional company with national presence. 168  $\triangleright$ GOS has approximately 3,000 employees and is committed to retaining its staff. 169  $\triangleright$ GOS offers technology integration, monitoring cameras, etc. 170  $\geq$ GOS adds value and offers solutions to its security clientele and specializes in CDDs.

171 Ms. Plummer stated she has worked in the industry for 20 years. She discussed training 172 security guards to provide excellent customer service and the importance of time stamping, 173 checking logs, retaining staff and interfacing with customers.

Mr. Stewart stated that he has been in the security industry for a long time, previously managed the CLI, Hunter's Green, Arbor Green and Chaval accounts. He is very familiar with CDDs, POAs and HOAs and the importance of guard training, equipment and supervision. The total annual cost would be \$477,893.

178 Mr. Ritenour, Ms. Plummer and Mr. Stewart responded to questions about GOS's 179 turnover rate, employee retention rate and its business model.

180 Mr. Ritenour, Ms. Plummer and Mr. Stewart exited the meeting.

181 C. Securitas, Inc. (SI)

Referencing slides, Mr. James Davis gave a brief history of SI and stated he has worked in the industry for 25 years, 14 years of those years at SI, where he has become an expert in servicing HOAs and CDDs. Mr. Davis discussed the most expedient way to remove illegally parked vehicles off of CDD streets and SI's pricing models and policies and procedures.

186 Mr. Davis responded to questions about inclusion of overnight patrol inspections in the 187 pricing, if SI performs swat analyses and community profiles, the Option 1 Integrated Program 188 and the Option 2 Traditional Program. The total annual cost would be \$471,348.

189 Mr. Davis exited the meeting.

#### 190 D. Trident Protective Services (TPS)

191 Mr. Mike Lewis presented the TPS Security Services Proposal and stated TPS was 192 established in 2008. TPS believes in a fair pay rate, clarity and honesty. He noted the following:

TPS has its own State-certified training facility and has been contracted by SI and GOS to
 train their security guards.

195 > TPS listens to the wants and needs of its clientele.

TPS guarantees a \$200 deduction if an incident occurs on the property and TPS fails to
 respond within ten minutes.

198 Mr. Lewis responded to questions about the number of TPS employees, recent hourly 199 pay rate increases, unarmed officer, site supervisor, roving patrol and TPS's references. The 200 total annual cost would be \$438,443.

201 Per Mr. Castillo's request, Mr. Lewis would forward the amended pay rates to Mr. Hall.

Mr. Acoff stated he contacted Mr. Hall about a motorist in a silver Lexus who tried to break into his son-in-law's truck and then fled. Although Mr. Hall was able to locate the vehicle, the license plate could not be accessed because the CDD does not currently have that capacity; he thought that should be examined. Mr. Hall confirmed that the CDD does not have tag number technology through Envera because it was rejected by the previous Board.

277 Mr. Forbes noted the camera limitations and suggested setting aside funds on a yearly 278 basis to install additional high-grade cameras along the main drive, Ivy Park, Cross Creek and 279 Morris Bridge gates and behind the homes in Capri Isle and install fencing to deter criminals.

Discussion ensued regarding camera costs, new wireless technology, the number of burglaries in the community, Envera, illegal street parking, the POA, installing fencing and TPD enlisting the help of Neighborhood Watch to locate criminals and protect residents.

283 Mr. Castillo invited Mr. Forbes to the February meeting for further discussion about 284 security and asked Mr. Hall to research camera costs.

## Committee:CORY LAKES COMMUNITY DEVELOPMENT DISTRICT<br/>LANDSCAPE/AQUASCAPE/FACILITIES COMMITTEEDate of Meeting:Monday, February 2, 2022Next meeting: 3/7/2022Time:5:15 pmLocation:Cory Lakes Beach Club, 10441 Cory Lake Drive, Tampa, Florida

#### Minutes

#### Meeting called to order: 5:35pm

**In attendance:** Stephanie Squires, Chair: Deb Maronic; Norma Walker; Rich Carpenter; John Hall, Facilities Manager.

#### Landscape

#### **Entrances:**

Holiday lighting changes/suggestions: The consensus of the committee was that this year's lighting was done exceptionally well, the best so far. The committee recommends unanimously that the same amount of money be allocated for next year's display. One suggestion of improvement would be to put lighted wreaths, in place of the too-small lighted bows on the gates. John noted that the clubhouse lighting would remain and change periodically based on the month or holiday or special occasion.

#### **Beach Club/Beach Area:**

Update of roofing of clubhouse and guard houses: John showed the color of roof tiles ordered. He's waiting on the manufacturer for a date when the tiles will arrive in order to schedule construction. He's hopeful that the tiles will arrive by the end of February.

Painting of clubhouse and guard houses and monuments: The committee agreed that the paint scheme on the pool house should be used throughout the community. Those colors will work well with the new tiles on roofs and will give an updated look to all the facilities and monuments.

Painting of interior of clubhouse and fitness center: The committee agreed that the clubhouse and fitness center required painting of the interior. It was recommended that the same paint scheme be used in order to fit in with the furnishings and embellishments in place.

#### **Trees/Bushes/Flowers/Turf:**

Update on tree plantings to date and to come: The committee agreed unanimously that 8 to 10 new flowering trees be planted annually in order to enhance the color throughout the community. Crepe Myrtle trees were highly recommended.

#### Facilities

#### **Roadways:**

Rust removal: No mitigation for rust removal is planned until after the drilling of a deeper well at the clubhouse area and the re-routing of the water from the two wells on Morris Bridge entrance into the retaining pond in Capri, from which the water will be pumped for irrigation. John is waiting for the contractor to be free in schedule to accomplish the work.

#### **Fitness Center:**

The committee recommended some kind of sun blocking window treatments on the top two sections of the floor to ceiling window at the lake facing side. John will research the best shading to use to rid the sun glare.

#### **New Business**

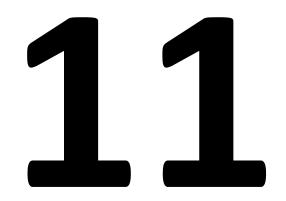

The committee recommended unanimously that the Board consider the creation and construction of an all-purpose sports field in the property known as the "Meadows". The estimated cost would be approximately \$300,000 for leveling, drainage, road and parking installation. Doing so would create a dedicated area for various sports activities, including soccer, lacrosse, baseball, softball and possibly such activities as shuffleboard, horse-shoes and others. As an added benefit, the area is a much safer area for play than the present area along Cory Lake Drive, and it leaves the present area available for parking usage when needed.

Capital improvements requests for budget year 2023

- 1. Replacement of dock and construction of launch ramp walkway: The committee agreed that the dock was sufficient and did not require replacement at this time, but will need replacement in coming years.
- 2. Replacement of shrubs along Cross Creek entrance: The committee recommended that the azaleas be removed and replaced with new ones in the 2023 budget year, and that the funds to do so be included in the 2023 budget.

Adjournment/Continuance: The meeting adjourned at 6:43 pm
