General CDD and POA Information

Cory Lake Isles is governed by two separate bodies, the CDD Board and the POA Board. These two boards function separate of one another and govern entirely different aspects of our community. This section of the packet identifies the difference between the two boards, provides contact information and meeting times for the two boards, and will hopefully answer questions you may have related to the CDD and POA.

What is the difference between a POA and CDD?

Our POA or Property Owners Association handles details pertaining to your property (vs. community property). So, if there is an issue with something you own such as maintenance of your property or approval of property renovations, it is handled by the POA. All other issues regarding any common areas and facilities are governed by the CDD.

The Cory Lake Isles CDD or Community Development District is responsible for maintaining the common property areas around the community including parks, sports courts, streets, street lights, gates, guards, pool, and beach club, registering resident vehicles, and overseeing neighborhood security. Please visit the CDD website at www.corylakescdd.net to learn more!

The Cory Lake Isles POA or Property Owners Association is responsible for personal property issues. The POA upholds neighborhood Covenants, reviews request to modify personal property, and responds to violation letter questions and concerns. The Covenants in Cory Lake Isles are strictly enforced. Please be sure to get written approval from the POA prior to making any changes to your property. This includes changes such as house paint color, landscaping, mulch and exterior lighting just to name a few. Please visit the POA website at www.corylakeislespoa.com to learn more!

CDD Committee Information

The CDD has several subcommittees that meet outside of the board meetings to discuss community issues and their findings are presented to the board at each monthly meeting. All residents are encouraged to become an active participant in their community by participating on one of the following committees:

Landscape, Aquatics, and Facilities (LAF) – is responsible for reviewing the landscaping, aquatics and facility needs within our community and offering suggestions to the board regarding their findings. If you are interested in having a say with regards to the looks of our community and would like to participate please contact the CDD office to obtain the next in person meeting. Stephanie Squires is the acting President and can be reached at stephie11173@verizon.net.

Security Committee – This committee is responsible for reviewing the safety matters pertaining to our community and offers suggestions to the board regarding security findings. AJ Forbes is the President and can be reached at clcddsaf@gmail.com.

Neighborhood Watch Program – The Neighborhood Watch program is a group of volunteer residents coming together in our community, neighbors watching out for neighbors. We are the citizens behind the “eyes and ears” of the police, attending quarterly TPD hosted town hall style meetings, and joining our newly formed WhatsApp Neighborhood Watch Group to apprise our community of suspicious activities which may be occurring in real time. To become involved in Cory Lake Isle’s Neighborhood Watch Program or to find out additional information please email the Neighborhood Watch Committee Chair, Sheryl Springer: Sheryl@corylakenw.com You can also follow us on Facebook and Twitter, as well as WhatsApp.

Facebook: Search for @CoryLakeIslesNW

WhatsApp: please email sheryl@corylakenw.com and include your mobile phone number to be invited to the WhatsApp group

Twitter: @CLI_NW

Spirit Committee – This committee was formed in order to enhance the current Lifestyles/Events team already established as well as enhance the community experience for Cory Lake Residents. The sole purpose of this committee is to bring new activities and social programs for the residents by the residents to specifically reflect the diverse demography of Cory Lake. Please contact the Beach Club for more information.

POA Committee information

Design and Review Committee (DRC) – is responsible for reviewing all applications submitted regarding home modifications. This committee meets every other Monday in the Beach Club at 6:00PM. The application can be submitted up to the Friday before the meeting to the Association Manager. Residents are welcome to attend and hear as their application is reviewed by the board. Jeffrey Jenkins is the Chair of this committee.

Covenant Enforcement Committee (CEC) – Covenant Enforcement Committee (CEC) – The purpose of the CEC is to gain compliance from members/tenants on violation issues of the Declaration of Covenants, Conditions and Restriction, and Rules and Regulations of Cory Lake Isle. After hearing testimony and examining evidence the CEC will review all information presented and will render a decision. Parag Shah is the Chair of this committee.

The Covenant Rewrite Committee – The purpose of this committee is to review and refresh the covenants that all homeowners receive when they purchase their home and must abide by as a property owner in the community. Our Property Owners Association serves a specific function — to govern and regulate the community with the goal of protecting and improving property values. One way this is done is through creating and enforcing covenants. Property use and appearance covenants, for instance, primarily focuses on maintaining curb appeal. When curb appeal drops, so do property values.

Cory Lake Isles Security

The CDD security companies, Envera Next Generation Security and Allied Universal Security, work in conjunction with one another to provide gate access, roving patrol and video surveillance of community gates and amenities. Our uniformed Security Officers (SO) at the gate play a vital role as the ‘eyes and ears’ of each and every single vehicle that enters the community, we expect a courteous smile, hand wave or nod in acknowledgement to vehicles entering the community through *both* gates (resident & visitor), and we expect them to follow the Post Orders. We uphold them to a much higher standard than imagined.

The Cross Creek Guard House can be reached via telephone at 813-907-8400 24 hours a day. The Morris Bridge Guard House can be reached via telephone at 813-986-0030 between the hours of 6 am and 10 pm. The Morris Bridge visitor entrance is accessible from 10 pm to 6 am via an automated security system (ENVERA NEXT GENERATION SECURITY / VIRTUAL GUARD), via barcode affixed to your vehicle or biometric at the fingerprint reader through the resident lane. A roving security officer is monitoring the amenities (beach, pool, beach club, sports courts and gym) and neighborhood from 6 pm to 6 am nightly. During an actual emergency call 911 **before** contacting the Cory Lake security team.

Envera’s customer service call center (1-877-936-8372) is open from 7am-10pm ready to assist if you have trouble logging into your account or need to add a visitor. Please SAVE THE NUMBER (877-936-8372) IN YOUR PHONE CONTACTS as this is the number that will call when an oversized delivery, (i.e. moving company, a/c, plumbing contractor, etc.) is scheduled! Envera remotely operates the oversize trucks entrance, at Morris Bridge Road gate, through a kiosk to an off-site security officer. The on-site security officers assist visitors and residents as their main post order but will assist the trucks at the oversized entrance if time permits.

PLEASE REMEMBER: All visitors must be entered into the Envera system for security log purposes. Guards CANNOT accept phone calls from residents to notify of an expected guest, they are instructed to give residents the Envera customer service number or contact the Beach Club (813-986-1031). You may also enter the information and update your resident profile online (myenvera.com) or through the Smartphone App.

Focus areas for being a good neighbor?

Speeding – The posted speed limit in Cory Lake Isles is **25mph**. Please remember that even the main route through CLI has, residential housing where pedestrians are very active and children are playing. Please use caution and maintain the posted speed limit at all times.

Street parking – When parking on the street, please park on the correct side (facing with the flow of traffic). There is no overnight parking allowed on the streets. If you have special circumstances, please contact the CDD office to obtain a temporary car tag.

Blocking sidewalks – Please pull all the way up in your driveways and be mindful to not block the sidewalks. Cory Lake Isles is a very active community with lots of pedestrians. When a sidewalk is blocked, this causes pedestrians to have to go into the street. This is especially

problematic for certain pedestrians such as strollers, walkers, wheelchairs, and young bike riders. Please keep your neighbors in mind and do not block the sidewalks at any time. Also, ask guests visiting your home to extend this same courtesy.

Noise Levels – Please be courteous towards your neighbors and reduce noise level after 11p.m.

Pet Waste - Please be a responsible pet owner. Pick up your pet's waste and make sure your animal is leashed whenever outdoors. Dispose of your pet's waste in your own trash receptacle and not your neighbor's. There are pet waste stations located next to all three parks and in the other common areas around the lake for your use.
